Lent offers us all a very special opportunity to
grow in our relationship with God and to deepen
our commitment to a way of life,
rooted in our baptism.

In our busy world, Lent provides us with an
opportunity to reflect upon our patterns, to pray
more deeply, experience sorrow for what we've
done and failed to do,
and to be generous to those in need.

*Message from the United States Catholic
Conference of Bishops*

During lent, we are asked to devote ourselves
to seeking the Lord in prayer and reading
scripture, to service by giving alms, and to
sacrifice self-control through fasting. Many
know of the tradition of abstaining from meat
on Fridays during lent, but we are also called
to practice self-discipline and fast in other
ways throughout the season. Contemplate the
meaning and origins of the Lenten fasting
tradition. In addition, the giving of alms is one
way to share god's gifts—not only through the
distribution of money, but through the sharing
of our time and talents. As St. John
Chrysostom reminds us: "not to enable the
poor to share in our goods is to steal from
them and deprive them of life. The goods we
possess are not ours, but theirs." (Catechism
of the Catholic Church, no. 2446).
