Nineteenth Sunday in Ordinary Time

Thank you to all those who were able to make it to all these meetings of Beacons of light last Month. Some attend about three others two or more. Right now, some of you have experienced the distances among us as family. But I believe that is not going to deter us but rather going to energize us for better communication among us.

At the Parish Council Meeting Fr. Francis Tandoh, C.S.Sp. passed out the **Pastoral Planning Roadmap to Pastoral Vitality** document from the Archdiocese of Cincinnati, that points out to the following.

- Adjust mass schedules (ours is fine)
- Combined the councils
- Merge staffs
- Build Communities
- Decern use of Buildings

Father Francis stated we have been brought together to see what we are going to do as a family concerning the areas above. Various groups, and pockets of people will form think tanks to decide how we will best be together as a family. We will share our stories.

Fr. Francis intend to move on with all the Councils coming together perhaps until sometime October/November time frame when a new Council will be formed with representatives from all the parishes.

Below are some questions that were discussed at the tables maybe it will be good for you to try to answer by yourself.

Table Discussion

1. Since we began talks about family of parishes what has been your biggest challenge (i.e.

Silo, resistance to change, downward spiral, etc.)

2. What is your greatest opportunity as a parishioner/parish leader to contribute to parish vitality of Beacons of Light phase 1?
3. What comes to mind? (Share some of your positive and negative anxieties)
4. What are some of the things in your parish you believe can be shared along among the family?
