Everyone from all of Parish Family NE 8 is welcome to join in this production. There are five short acts depicting the events of Holy Week. All of the choirs from Parish Family NE 8 are invited to sing Lenten songs between each act. Anthony will begin to work with the various choirs on the list of music. Majority of the songs we already know, therefore eliminating the need for a lot of music rehearsals. Actors are invited from all NE 8 Churches. During Lent, we will have two actor rehearsals, and two full rehearsals with actors and choirs. And finally one dress rehearsal. A total of five rehearsals in all.
