Reflect Summary

Holy Spirit Family of Parishes

Family Unity Discernment Reflect Day

Holy Spirit Family of Parishes has been engaged in the Family Unity Discernment (FUD) process with support from the archdiocese Center for Parish Vitality (CPV) team. This culminated in a Reflect session on February 21 where CPV presented findings from the Family Unity Discernment review and then led the participants through Conversations in the Spirit to begin discernment on how best to use the Family's resources in the future to best support the mission of sharing the gospel within the Family territory.

Note takers captured comments from parishioners during these Conversations in the Spirit which are summarized below by theme in response to the following question:

What changes would you prayerfully suggest to Family resource (buildings, people, financial) usage to meet the mission of the church in this age?

1. Communication Is the #1 Concern

- Desire for consistent, clear, centralized communication
• Need for staff support (communications director)
• Information not reaching the right people

2. Youth Engagement Is Urgent

- Recruit and welcome young adults
• Hire or empower youth leaders
• Use varied platforms to reach them

3. Emotional & Spiritual Support Through Change

- Acknowledge grief, attachment, and fear
• Provide Scripture-rooted spiritual guidance
• Normalize emotions and build trust

4. Discernment of Buildings & Facilities

- Determine which buildings are truly needed
• Consider consolidations and closures
• Repurpose buildings for outreach
• Debate between community presence vs. financial responsibility

Reflect Summary

5. Strengthening Volunteerism & Leadership

- Identify skills and gifts within parish membership
• Offer training, workshops, fairs
• Encourage elders to mentor new leaders
• Reduce reliance on paid staff where appropriate

6. Community Outreach & Evangelization

- Make church a social center for the community
• Partnerships with other churches
• Food-based ministries and cultural events
• Storytelling and neighborhood engagement
• Programs like VBS, open houses, phone-tree outreach

7. Financial Sustainability

- Promote bequests
• Bring in more revenue via events and rentals
• Track meaningful metrics beyond Mass attendance
• Address financially struggling parishes honestly

8. Center Everything on Jesus & Mission

- Emphasis on Eucharist and gratitude
• Renew focus on mission, leadership, and strategy
• Shared prayer as foundation for unity

Reflect Summary

Recommendations

We have also summarized the recommendations captured in answer to these questions into two categories of Cost and Mission.

Reducing Costs

These recommendations aim to lower expenses, consolidate resources, or use assets more efficiently.

Building-related cost reductions

- Consider closing one or two churches if nearby parishes can still serve their communities, due to several churches operating "in the red."
Close the St. Augustine rectory because it is not being used.
Discussed hypothetical: closing all churches and building one new one (reflects openness to consolidation).
Evaluate which buildings are actually needed and whether all should remain open.
Renting unused buildings, such as the St. Augustine rectory, to generate income.

Operational cost reductions

- Increase volunteerism to reduce reliance on paid staff roles.
Create a volunteer skills inventory to match parish needs and avoid hiring for tasks volunteers can do.
Hold volunteer workshops instead of paid training.
Consolidate communications systems to eliminate duplicated labor.
Establish one central office for calls and administration instead of multiple sites.
Share ministries across parishes to reduce duplicated programs.

Revenue-aligned cost relief

- Promote bequests to strengthen long-term finances.
Improve tracking of who is served so resources are allocated more efficiently—not just based on Mass attendance.

Reflect Summary

Increasing Mission-Related Activities

These recommendations strengthen evangelization, community outreach, parish vitality, and spiritual renewal.

Outreach & evangelization

- Make the church a social center of the community, using buildings for events and outreach.
Host international food fairs, meals, and community events to welcome neighbors.
Tell me your story initiatives to honor culture and diversity.
Expand neighborhood ministry, food programs, and SVDP collaboration.
Create open houses to invite non-parishioners.
Increase partnerships with other churches.

Youth & leadership engagement

- Recruit and welcome young people; hire a youth director.
Ask new people to take leadership roles, and train successors from among long-time members.

Spiritual renewal

- Focus on Lectio/Scripture and "Follow me" spirituality as grounding for change.
Increase holy hours, prayer, and gratitude practices.
Keep Jesus and the Eucharist at the center of parish life.

Community-building activities

- More shared services and unity Sundays across parishes.
Use buildings for VBS, programs, gatherings, and celebrations of volunteers and marriages.
Create more opportunities for storytelling and personal connection.

Improved communication (as mission support)

- Strengthen communication to reach parishioners and the broader community more effectively.
Use multiple methods and possibly hire a communications director.
